Welcome to Schwabing!

We opened the doors for you in summer 2016 and are very happy to have found so many loyal guests and friends in Schwabing and beyond since then. Thank you so much for that!

We have let our eyes wander through the Mediterranean – the result is a menu for lovers of a simple and straightforward, yet subtle and surprising cuisine. Our ambition is to always use artisanal, fresh and authentic cooking without the use of convenience products. We wish you pleasant hours with us at Bellevue!
